It is with justifiable pride that we, the merchants and citizens of Millard, welcome Western Electric Company to our thriving community. It is our desire and aim to co-operate with and further the cause of this great Company in every way possible. We welcome the many people this enterprise will bring to Millard and will strive in every way to be of service and furnish facilities for them, to the best of our ability. Again, may we say "Welcome" and may the future bring success and prosperity to both of us.

Sincerely,

*The Merchants and Citizens of
